

Hotel reservation

There are several hotels around the venue (TUMSAT, Tokyo University of Marine Science and Technology) for the AFAS2013.

Nine hotels are recommended.

These hotels are located around 1) Shinagawa Sta., 2) other stations, and 3) TUMSAT.

The hotels around Shinagawa Sta. are the most convenient to you, because you can access the venue on foot. However, it may be slightly expensive.

The hotels located around 2) other stations and 3) TUMSAT may be reasonable.

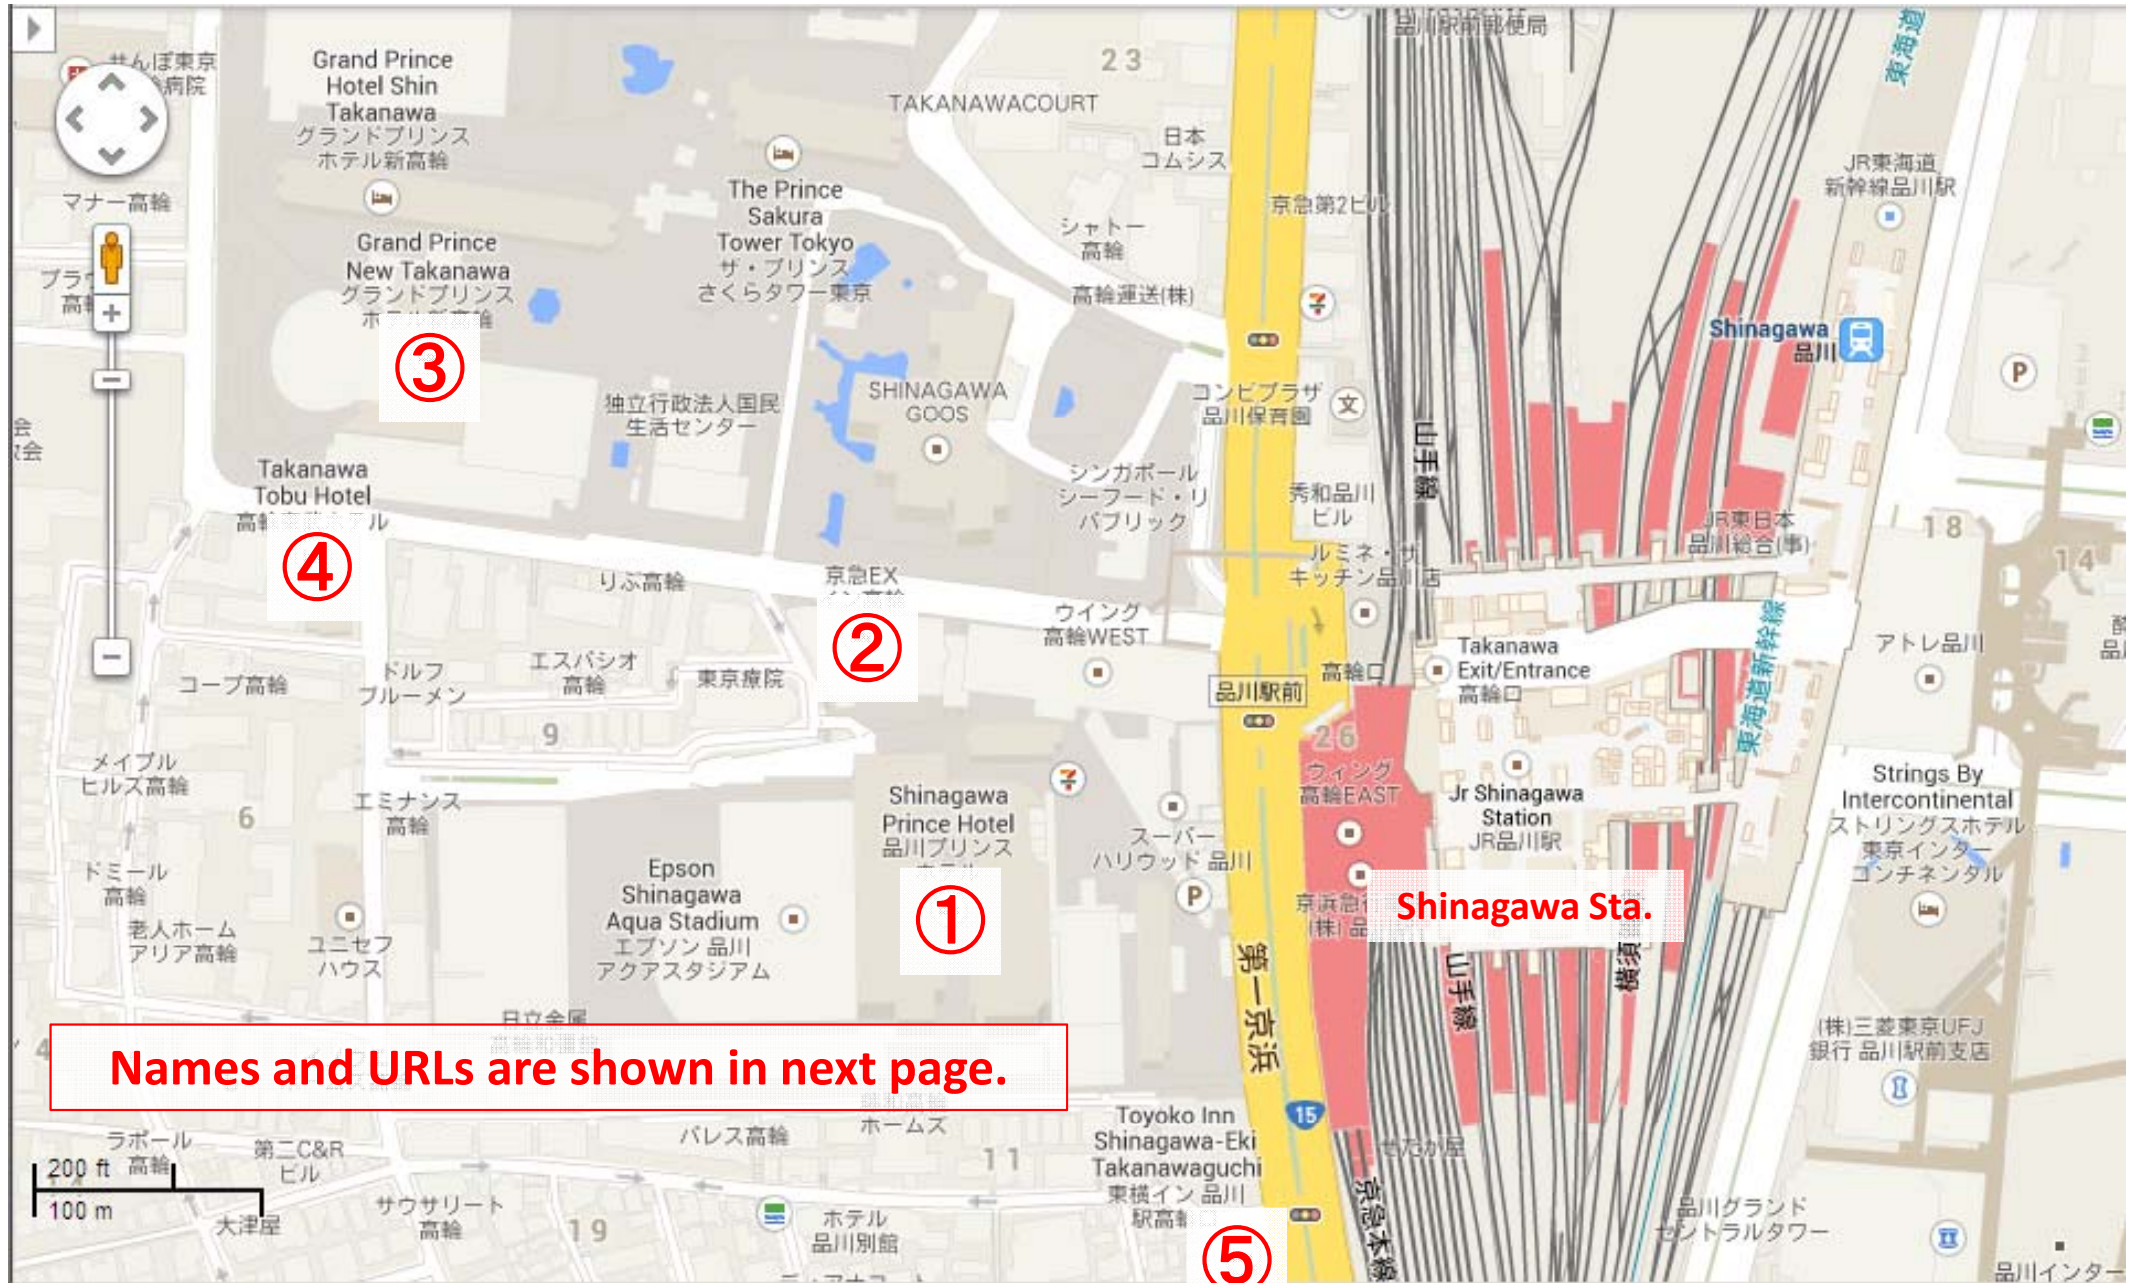

The hotel names and the URLs are shown in the following pages.

Participants can reserve your room through each Hotel's web site.
